Dear Diary,

Today, my father took away my phone. And he said “Read this book, if you enjoy it, I’ll give you back your phone!” He handed me a leather covered book, I started reading.

Suddenly, I was in a forest! I was so excited so I kept on reading. But then, there was a difficult word. I stopped. This word ruined my whole adventure! I had a temper, out of nowhere, a weird man wearing a dress appeared. He took me to a Kingdom. The Kingdom of Learning. The King there helped me pronounce the word, and I kept on reading. Whenever I saw a word I didn’t know, I visited the Kingdom again.
