First Runner-Up: 4C Ha Tin Yee

Dear Diary,

You know that I never read books, but since Dad gave me Robin Hood, I started to change my mind! I went to the forest that Robin Hood lived in, and I became Robin Hood! I met Little John who was Robin's friend and the evil Sheriff who hated Robin and always wanted to kill him. I even fought him! In the end, Little John and I fought against The Sheriff and won! I learned so many things! Dad is so proud of me. Besides, this book is so interesting! Hope I can read more soon!

Good night, my dear diary...
