

Drama Writing Competition P.3-4

Second Runner-Up: 4B Chong Hoi Ching Tiffany

Dear Diary,

Today, I had an exciting adventure when I read the story about Robin Hood. I became Robin Hood. I always steal things from the rich and give to the poor in the story. I met a good man and a bad man. The bad man wanted to catch me because I stole his things. Luckily, my teammate, the good man saved me in time.

After I read this book, I think reading is so funny and interesting!

I will read more books from now on!
