The Sheriff of Nottingham also loves Lady Marion and thinks of a plan to kill Robin Hood.

On the other hand, Robin Hood has a plan too. He invents a time machine which is able to stop time for a moment. Therefore Sheriff has been delayed to marry Marion. In the meantime, He makes use of the time to train himself to be a stronger fighter. When he believes he is in his best shape, he re-starts time and meets up with Little John and Friar Tuck.

“Little John and Friar Tuck, I must save Lady Marion now! Here’s my plan. First, Little John you go and defeat those guards who were protecting the dungeon. Second, Friar Tuck you should make sure Sheriff does not realise that he has lost his dungeon map. “OK, we got it!” Little John and Friar Tuck said committedly.

Two hours later, Robin Hood finds the way to the prison cell of Marion. However, he saw Sheriff tied up Marion on the top of the castle! “Hey! Robin Hood! Come and catch me. But when you touch me, I will push Marion off the top of the tower!” Robin Hood is in shock! Yet clearly he comes up with an idea to save Marion.

“So what?” Robin Hood said confidently. Then he quickly presses the time machine button to stop time. And he takes this chance to steal Marion from Sheriff’s hands. And he restarts the time machine and kicks Sheriff off the castle!

In the end, Sheriff is captured and Nottingham is saved by Robin Hood. However finally, Robin Hood destroyed the time machine because he doesn’t want anyone to use it against him.
