

Drama Writing Competition P.3-4

Merit: 4B Dong Jing Han

Dear Diary,

I went to an arrow contest in the forest with my best friend Little John. I wanted to win the contest to help the poor and I went there in disguise because the sheriff of Nottingham wanted to catch me. I shot the bull's eye three times and he recognized me. I was in danger! Little John came to help me and we won. Hooray! I think it was an interesting adventure.
